June 2021 Newsletter

Hey Upper Township! The 4th of July Celebration at Amanda's Field is a GO! The Township is looking for Vendors from the community to help promote your products and businesses. Food vendors are "okay" at this time, but we want to have additional vendors for the marketplace. For this July 4th celebration, the Twp. is waiving ALL Vendor fees to help our businesses out after a tough year. Please reach out to the UT Recreation Office for additional details at recreationdepartment@uppertownship.com ##

- **UTBA's Beautification Project** is moving forward! The Upper Township Committee approved our project at the 5.24.21 committee meeting and are enthusiastic about working with us to make Upper even more inviting. **Phase 1 of the plan is to install 4 planters at each of the 3 town centers identified in the township's Master Plan: Marmora, Seaville and Tuckahoe.** The **UTBA** will supply the planters, and the township staff will maintain them. We're happy to partner with the Township to bring this beautification effort to our residents, visitors and shoppers. Stay tuned for more!
